

DISC GOLF DICE CUP

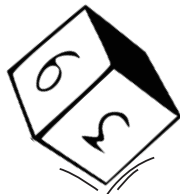

Play a normal round of disc golf.

After each hole, role a dice:

- Birdie or better - one 8-sided dice
- Par - one 6-sided dice
- Bogey or worse - one 4-sided dice

Add your dice score for each hole on the scorecard (you can do both disc golf and dice score for the round).

The Dice Cup-champ is the player with highest added up dice score!
